### ALAMO:

Trish Granucci, RSP, and her husband Bill, became grandparents on Jan 20 to Emerson Ryan. Carol Harless, 6<sup>th</sup> grade teacher and husband Steve are new grandparents to a girl, Layla. Let the spoiling begin! Alamo PTA just sponsored our Spring Soiree with a western theme and Novel Knowledge is in full swing.

Alamo is also excited to welcome Jennifer Kile to our staff along with two new student teachers, Jessica Alexander and Chris Zaknik.

We are excited about showcasing our very own BCMHS students at this year's annual Film Festival at Brenden Theatre April 16<sup>th</sup>, at 7:00 p.m. Cost is \$5.00 for admission. The BCHMS carnival is this month and we wish everyone a blessed Spring Break!

### CALLISON:

A big thank you to Solano Community Foundation for supporting our social science curriculum. Mrs. Dacanay, Mr. Guzzo, Mrs. Hertrick and Mr. May were fortunate to have Ancient Artifact bring the American Revolution to life in their classrooms.

Another special thank you to a local celebrity, Vice Mayor Curtis Hunt, for visiting Mrs. Dacanay's fifth grade classroom and sharing a power point about the City of Vacaville and how our local government works for us all.

### MARKHAM:

Markham School honored Dr. Seuss' birthday holding an assembly with guest "cat readers" for primary grades. In addition, upper grade students did a reader's theater of Green Eggs and Ham. Later that day the entire school participated in Read Across America by doing buddy reading activities. All students were happy to read Dr. Seuss books. He is still enjoyed by readers of all ages.

Mike Milligan became a proud grandpa of a baby boy on March 6 at approximately 2:00 a.m. Both parents and child are doing well. Congratulatlons gramps!

First grades in both SPICE and REACCH classes went on a field trip to the Lindsay Wildlife Museum. The children learned about wild animals that live in backyard habitats and what to do if they find a wild animal. They were grateful to receive a scholarship, which allowed them to attend. One class has adopted an injured barn owl and will have an ongoing relationship learning the progress of its recovery.

March Madness has spilled over to Markham Elementary School. Markham School participated in a month-long series of events to introduce and excite students about college. Third through sixth grade classrooms were "graduated" to various California colleges. Students competed in literacy to see which college could read the most books. They had an athletic competition to see which college could run the most laps. Each class competed in an academic decathlon tournament. They had a spirit competition in which each class decorated their door to represent their college. Students also wore their college colors on spirit day. Each class took part in an art competition to design and paint trash cans with a college theme. A culminating college pep rally was held on March 29. The importance of always doing your best in order to be college bound was the central theme throughout the month.
